ABOUT US

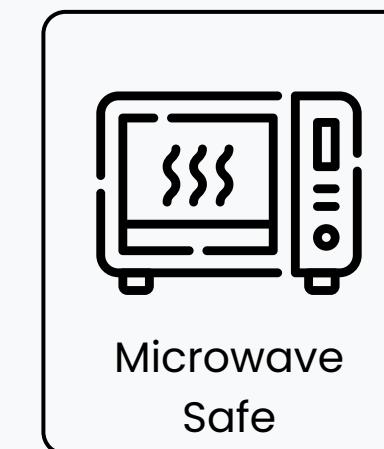

Founded in 2021, Nilanchal Exports Pvt. Ltd. is a leading manufacturer and global exporter of premium eco-friendly disposable products.

We specialize in crafting a wide range of sustainable items including plates, bowls, trays, paper bags, and takeaway packaging—manufactured in-house using responsibly sourced, biodegradable materials. Our commitment to environmental responsibility and consistent product quality has made us a trusted partner for businesses around the world.

As a direct manufacturer, we ensure full control over quality, customization, and production timelines. With a robust infrastructure and a skilled team, we serve clients across 8 countries, offering competitive pricing, reliable logistics, and exceptional service—all under one roof.

TABLEWARE

Our tableware Products are crafted from 100% biodegradable and compostable materials, making them perfect for eco-conscious consumers. From plates and bowls to cutlery, we offer a wide range of stylish and functional tableware options.
